Amendment to Motion #521

Motion:

Move to modify Motion #521 as follows:

Item #24: In addition, authorize the Board of Regents to renegotiate and renew existing leases for student housing and specify that existing leases of student housing would not be the responsibility of DOA.

Item #27: Clarify that the Board could remit nonresident tuition and resident tuition to students as athletic scholarships, consistent with current law.

Item #70: Clarify that pupils attending any independent "2r" charter school authorized by the County Executive of Waukesha County would be counted by the district of residence for revenue limits and general school aids. Require DPI to reduce a school district's general aid payment (and categorical aid if necessary) in an amount equal to the total of the per pupil payments made for pupils residing in the district. Specify that a district would not be able to levy to backfill that aid reduction.
