Subj: 2018-19 Fund 133 Overhead Allocation

This memorandum authorizes the release of the 2018-19 Fund 133 overhead allocation for your unit. The project number for your unit's allocation is attached. You may begin expending the funds immediately.

Fund 133 allocations to schools and colleges are distributed according to a formula based on a two-year average of direct expenditures and overhead generated. Overhead generated and direct expenditures as categories are given equal weight in the formula, and the most recent year is given twice the weight of the previous year.

The 2018-19 Fund 133 overhead allocation to schools and colleges is \$4,000,000. Total non-federal overhead revenue was stable and is not projected to change significantly this year.

The Budget Office will process receipt and budget transfers today reflecting the allocation. If you have any questions regarding the allocation, please contact Jennifer Klippel (890-1842).
