Note: (1) The MN College of Science and Engineering tuition surcharge is modeled after the Carlson School of Management tuition surcharge. The new surcharge for engineering will only be for new students (including transfer students and freshman) starting in fall 2019 or later; it will be phased in over a 4 year period. Students who started prior to fall 2019 will be grandfathered out and will not experience the surcharge.
(2) The tuition rate paid by Minnesota engineering students equals the Minnesota undergraduate rate plus the College of Science and Engineering tuition differential. The amount that is transferred to Minnesota for reciprocity withholds the Wisconsin engineering differential.

NOTES: (1) The tuition rate paid by Minnesota business students equals the Minnesota undergraduate rate plus the Carlson School of Management differential. The amount that is transferred to Minnesota for reciprocity withholds the Wisconsin business differential.

(2) While the Wisconsin business differential applies to all students, Minnesota reciprocity students are assessed under item type 630063 instead of 630051 to reflect the withholding from the Minnesota reciprocity transfer.
